SQL query: [Copy](#)

```
SELECT Bugresistance.StudentID, University.StudentName, Bugresistance.City
FROM Bugresistance
FULL OUTER JOIN University ON Bugresistance.StudentName=University.StudentName LIMIT 0, 25
```

MySQL said:

#1064 - You have an error in your SQL syntax; check the manual that corresponds to your MariaDB server version for the right syntax to use near 'OUTER JOIN University ON Bugresistance.StudentName=University.StudentName LIM...' at line 3

AS the error occurred so the Alternate Way :

```
SELECT Bugresistance.StudentID, University.StudentName, Bugresistance.City
FROM Bugresistance
LEFT JOIN University
ON Bugresistance.StudentName = University.StudentName
UNION ALL
SELECT Bugresistance.StudentID, University.StudentName, Bugresistance.City
FROM Bugresistance
RIGHT JOIN University ON Bugresistance.StudentName = University.StudentName WHERE
Bugresistance.StudentName IS NULL;
```

```
SELECT Bugresistance.StudentID, University.StudentName, Bugresistance.City FROM Bugresistance LEFT JOIN University ON
Bugresistance.StudentName = University.StudentName UNION ALL SELECT Bugresistance.StudentID, University.StudentName, Bugresistance.City FROM
Bugresistance RIGHT JOIN University ON Bugresistance.StudentName = University.StudentName WHERE Bugresistance.StudentName IS NULL;
```
